

Cookie policy for salaojitustutkimus.fi

You agree to the following terms by using the salaojitustutkimus.fi website.

A cookie is a small text file, which is saved by the browser onto the user's device. The cookie does not cause any harm to the device. The cookie is used on websites for technical delivery of information and speedier service.

Salaojitustutkimus.fi uses cookies to gather information regarding visitors to the site (Google Analytics.) The information is stored anonymously; it cannot be used for other purposes.

The user can allow or disallow the use of cookies in their internet browser. The preferences can be changed in the browser. Disallowing the use of cookies may hinder the functionality and loading of the website.

You can find more information about cookies in the following links:
